## Impact Locking Extension Set 1/2" Sq Dr

18", 24", & 31" Extensions  
are ideal for transmission work, manifolds, differential servicing, engine mounts  
and other hard to reach areas with high torque applications

Single body construction  
for maximum strength

Locking mechanism  
specifically designed for  
impact use

Knurled sleeve  
encapsulates the  
retaining ring keeping  
dirt from entering  
mechanism yielding  
longer tool life

Chamfer at female  
square drive facilitates  
quick installation and  
increases fracture  
toughness

- Female drive end recessed to accommodate new style impact guns
- Positive pin lock design retains socket securely
- Industrial black finish helps protect against corrosion
- Heavy duty shank for high torque applications
- Made in USA

### Specifications, Inch (mm)
