

Six Inch Needle Nose Pliers

95CF

Features and Benefits

- Rounded jaw edges minimize nicks to wire when making loops or bends
- Jaw tips are perfectly aligned and feature machined teeth for precise gripping strength with positive control
- Contoured handle for more comfort and better leverage

Applications

Pulling, gripping, twisting wires. Provides excellent reach for fine work in small crowded areas or cavities where cable or other material cannot be reached by fingers

WARNING

Wear eye protection

Plastic handle does not protect against electrical shock

• Read additional safety precautions on pages W1 to W4 in product catalog CAT1200.
