

BRAC560V 5 HP - 60 Gallon Air Compressor

WARNING

-  • Air from compressors may contain oil mist and other harmful materials for breathing. Do not use air from the compressor as a breathing supply.
-  Oil and other impurities in breathing supply air can cause injury.
-  • Compressor systems contain air under pressure which can create a high pressure stream or ruptured vessel.
-  Wear safety goggles. (user and bystanders) Relieve pressure before servicing.
-  Do not modify/repair/rework pressure vessel or change safety relief pressure setting. A pressurized air stream or rupturing pressure vessel can cause injury.
- Moving components inside. Do not use without all guards in place. Moving components can cause injury.
- High voltage will create an electrical shock. Disconnect all power before servicing. High voltage can cause injury.
