

# Compact 6-drawer cart for maximum performance where space is tight

## 32" Wide 6-Drawer Cart

**KRSC326  
Series**

### Features and Benefits

- **Higher function bumper system** on all four corners are strong and comfortable enough to be used as handles, yet soft surfaces are welcomed when approaching customer vehicles. (The corner protectors also send a professional message with high-impact logos)
- Comes **fully assembled from the factory** including bumpers, casters and aluminum drawer trim.
- **Fully- welded double side walls**
- **Extra deep top compartment** 7" deep for a wide range of uses such as battery storage/charging, plus it will hold a 36" pry bar handle vertically.
- **Internal drawer release** – A flip lever in the top compartment allows drawers to open when the top compartment is closed so you can use the drawers while also using the top work surface.

**See page 2, 3 and 4 for more features and benefits, stock number listing with colors, related product for customization, specifications and warnings.**

CE – Not Required

Country of Origin – Canada

# KRSC326

## More Features and Benefits

- Drawers are 28" wide
- **Stronger lock and cam** – round key lock for interchangeability and larger cam for security
- **Snap-on paint and steel standards** – uses fully welded double sidewalls, the same paint and construction steel as Snap-on tool boxes. Made in North America
- **Snap-on KRA-style drawers with lock 'n roll** – helps keep drawers from drifting open
- **Snap-on lifetime warranty** on all parts
- **Snap-on drawers and trim** are a color match to our tool boxes
- **Thoroughly tested** – rigorous bump track testing has proven the Snap-on cart lasts longer
