Newly designed wire twisters improve performance

RWTP6 & RWTP9

Wire Twisters

Features and Benefits

- Positive “D-Ring” Lock locking mechanism holds tighter and is easier to use
- 30% larger twist rod will withstand more abuse than current models
- Enclosed release spring will not eject from pliers no matter how they are abused
- Pliers are coated with a dry-touch rust inhibiting oil that meets MIL-PRF 16173 standard
